Payments

28	70% advance payment, balance on design approval	
----	---	--

Terms and conditions:

- Design process commences after the advance payment of 70% has been made, and all essential details and documents have been provided
- The design price includes 3 revisions/ JG Gastro can complete more revisions, revision number depends on the 'quality of cooperation' / additional works priced according to the design working-hour prices.
- Visualisation price applies to the main design and does not include additions - front of the house or patron toilets/ walls, windows, etc. visualised in basic form.
- Completion date is always set by JG Gastro and it is always approximate. The date is dependent on the 'quality of cooperation', so for example how quickly the investor will respond to proposed ideas.
- We do not work during the holidays or at the weekends.
- please send any comments via email (not via phone-call/ text message/ Facebook). This will make our work easier and will help minimise miscommunication and mistakes.
